

NSF Fellowships Application Form

Please send a hard copy of the form to us.

Please check the course you wish to apply for the fellowship:

Course: _____ Science-Based Modeling and Simulation Methods for General Classes of Enabling Materials
(May 27 – 30, 2009, Hilton Garden Inn, 1818 Maple Avenue, Evanston, IL, 60201)

Course: ___ From Nanoparticles to Nanocomposites: Processing, Performance and Toxicity
(June 15 - 18, 2009 University of Massachusetts at Lowell)

Name: _____

Home Address: _____

City: _____ State: _____ Zip Code: _____

Country: _____

E-mail: _____

HomePage Address: _____

Phone: (____) _____

Affiliation:

Title: _____

Citizenship/Visa type: _____

Male Female Race/Ethnic Group _____

(The above information is optional and is collected purely for statistical purposes)

Signature: _____ Date: _____

Please send a hard copy of this form, a two-page CV in NSF format, and a 200-word statement indicating why the short course will help your career by March 1, 2009, to the address below. We will notify you the outcome of this application before March 31, 2009. Once approved, this will also serve as your registration form for the short course, so there is no need for you to submit a separate registration form. In addition to full registration, the fellowship includes partial accommodation allowance and lunches, and we will make the necessary hotel booking on your behalf. If you do not require hotel accommodation, please let us know. By signing on the above line, you agree to attend all the course modules.

NSF Summer Institute on Nano-mechanics, Nano-materials and Micro/Nanomanufacturing

Northwestern University
Attn: Prof. Yip-Wah Chung
Department of Materials Science and Engineering
2220 N. Campus Drive
Evanston, IL 60208
